

# Irmos of Ode 9 - Canon of the Birth of the Theotokos

Обиход - tone 2

Mag - ni - fy, O my soul,

the most glorious birth of the Mo - ther of God!

Vir - gi - nity is alien to Mo - ther - hood,

and child - bear - ing is a thing strange to vir - gins:

yet in thee, O Theotokos, both are to be found.

There - fore we and all the na - tions of the earth

with-out ceas-ing call thee bless - ed!
