

Troparion of St Melangell

Obikhod - tone I

Through thy right - eous ways and an - ge - lic life,

thou wast proved as pleasing to God, O Me - lan - gell;

for thou didst abandon thy noble birth, royal rich - es, and hon - our,

and didst come to the desert, becoming a mo - ther to nuns.

Re - joice, O root of Ire - land! Re - joice, O boast of the Celts!

Rejoice, O lamp of Britain and the pride of Wales!
